Guest Lecture Report

Guest of Honor: Prof. A. P. Nimbekar, Assistant Professor Mauli College of Engineering & Technology, Shegaon

Topic: Structural Analysis using STAAD Pro.

Event Date: 04/11/2023

Time: 1:00 PM to 5:00 PM

Venue: Seminar Hall, RSCE

Event Organizer: Prof. N. G. Deshmukh, Civil Engineering Department

Faculty Co-ordinator: Prof. K. S. Sarode, Civil Engineering Department

Attending students: Third and Final Year Student Civil Engineering Department

ABOUT THE LECTURE

The Department of Civil Engineering organized a guest lecture on “Structural Analysis using STAAD Pro” under the guidance of Professional Structural Engineer who is well versed in using such software on 04/11/2023 (Saturday) at 1:00 PM in Rajarshi Shahu College of Engineering, Buldana. Prof. A. P. Nimbekar Assistant Professor Mauli College of Engineering & Technology,

Shegaon was the resource person for the Guest lecture. All faculty members and students from third and final year B. E. Civil Engineering attended the program.

The guest lecture motivated the students to get training of STAAD Pro software from a Professional Structural Engineer as it would help the in checking the accuracy of results. The resource person illustrated various real time problems and demonstrated the analysis of beam. The resource person also highlighted the various opportunities available for Civil Engineers in India and Abroad and the art of overcoming the challenges faced during execution of work. The participants attended the guest lecture with full interest and cleared their doubts during the question and answer session. This guest lecture came to an end with participants sharing their feedback.
