## Best Practice 1

### Objective:

Institute had Organized International Yoga Day on June 21, 2024 and cleanliness campaign on 1 st oct 2024 and 2 nd oct 2024.

- The main objective of this program is to aware about our physical and mental health .
- Through the above activity we can understand the importance of Yoga in our life to keep us healthy.
- The main objective of cleanliness campaign is to provide people the importance of cleanliness and hygiene.
- Cleanliness campaign helpful in maintaining plastic free campus.

### CONTEXT:

Experts was invited by the college to schedule yoga Day activity to perform exercise on different yogasanas.

#### Key Messages of International Yoga Day:

- Universal Benefits:** Yoga is a practice for everyone, regardless of age, gender, or background. It offers benefits to people of all walks of life.
- Mental and Emotional Wellness:** Emphasizing the role of yoga in mental health, stress reduction, and emotional balance in today's fast-paced, often stressful world.
- Physical Health:** Yoga helps maintain physical well-being by improving flexibility, strength, balance, and cardiovascular health.
- Promoting Global Peace:** As a practice that fosters inner peace and harmony, yoga is seen as a tool to promote global peace, unity, and understanding across cultures and nations.
- Environmental Harmony:** Yoga is often associated with mindfulness and a deep connection to nature. Many practitioners use it as a way to reconnect with the environment and live more sustainably.

### Practice:

College has conducted Yoga Awareness Camp from June 21, 2024 with help of NSS Volunteer of College. All the teaching and nonteaching staff of the college had participated in the above event. Trainer of this workshop provided guidance on different asanas and Yogasana's and their role to keep our body healthy. In that Camp all the teaching & Nonteaching staff had practices different Yog asanas. college has organized Swachh Bharat

Mission on 1 st Oct 2024 with the help of NSS Volunteer. Volunteers had cleaned the near Sav Devi Temple at Yelgaon. Rajarshi Shahu Engineering College, Buldhana, under the Department of National Service Planning, will celebrate the birth anniversary of Mahatma Gandhi and Shri Lal Bahadur Shastri on Sunday, October 1 from 10 am to 12 noon. On October 2, 2023, the college organised shramdaan for cleanliness under the initiative "Swachhata Hi Seva", as challenged by the Honourable Prime Minister. On this occasion, R.S.O. Volunteers carried out a cleanliness drive in the Saw temple, river premises and college premises with great enthusiasm.

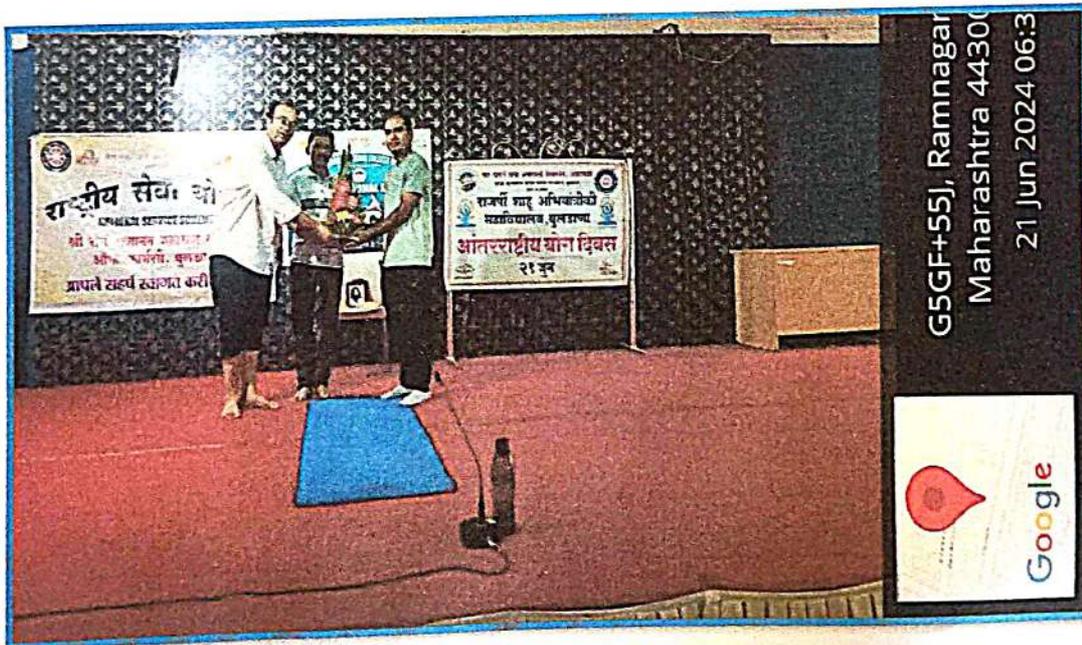

### **Evidence of Success: -**

1. In the past 10 years perform the activities of **International Yoga Day**. More than 300+ students are every day.
2. From last 5 Years college has conducted cleanliness drive in different rural areas near Buldana in order to maintain hygiene and to help the society to have clean neat and clean environment. By implementing this drive students also understand the importance of Shramdaan.

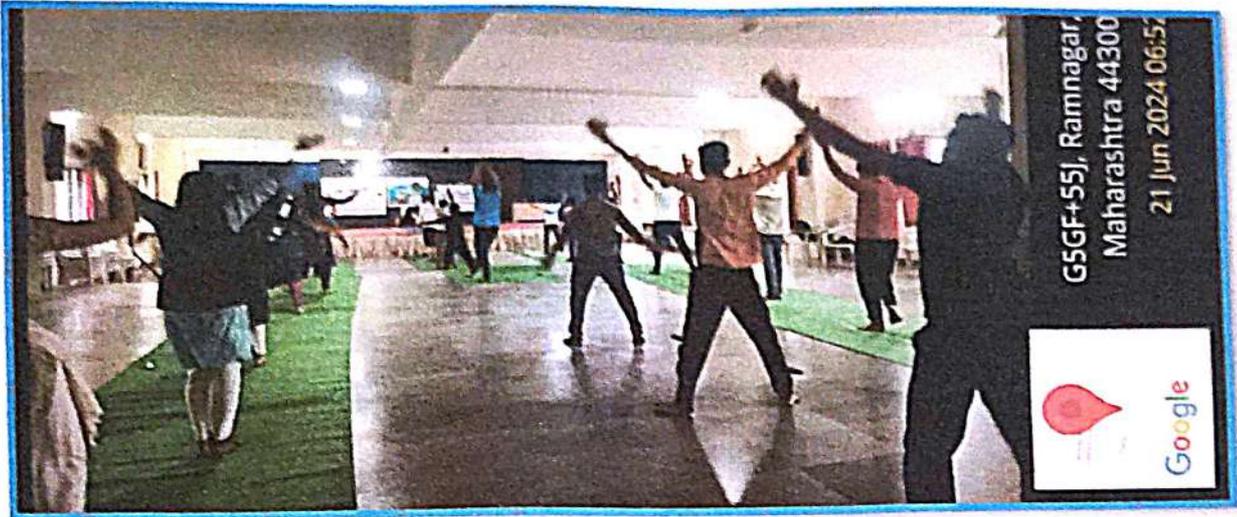

### **Problems Encountered: -**

- 1) Participation of the villagers was comparatively less in swaccha Bharat Campaign during day time owing to their engagement in agricultural activities.
- 2) There is main challenge to increase the participation of peoples in rural area in cleanliness campaign

## Best Practice 2

### Career Guidance Program on preparation Of GATE exam

#### Objective:

Institute had Organized Career Guidance Program for the preparation of GATE exam.

- The main objective of this program is to help the student in the preparation of GATE Exam.
- Through the above activity students can understand how to planned activities in order to prepare for GATE exam.
- Through above activity Students can easily understand what is the benefit of qualifying GATE exam.

#### Context:

GATE exam Preparation program aware the students about Exam pattern ,Syllabus and scoring system. Students were able to understand the importance of GATE exam in obtaining government jobs. Students were understand the importance of GATE exam to an engineers

#### Practice:

Career Guidance Program was organized on dated 05 Feb 2024 at Rajarshi Shahu Engineering, Buldana, run by Dwarka Multipurpose Rural Development Foundation, to provide complete information about the GATE Graduate Aptitude Test in Engineering exam to the students under the guidance of Dwarka Foundation President Shri Dhruptaraoji Sawale Saheb and Joint Secretary Mrs. Kiritai Parhad. Prof. Shailesh Cheke (Government Engineering College, Jalgaon) was present as the main guide of this guidance program. He gave complete information about the GATE exam to the students in his guidance. In it, he gave information about the exam format, syllabus, scoring system with examples. In his guidance, he said that GATE exam is a golden opportunity in the engineering field, which provides opportunities for government jobs in various fields to students. He discussed various questions with the students and answered the doubts of the students by giving relevant answers. Prof. N.S. Payghan introduced the chief guest and introduced the program. Prof. R.V. Bhalerao welcomed the guests. The program was coordinated and voted by Prof. V.S. Patil.

All the Heads of Departments, Prof. B.V. Narwade, Prof. P.S. Rane, Prof. P.A. Rane, Prof. Mohsin Khan, Prof. Ajikya Kuhire, Prof. Sagar Sonone, Prof. Pallavi Rane, Prof. Deshpande, Prof. Chopde, Prof. Suradkar, Prof. Pimple, Prof. Neha Deshmukh, Prof. Sarode Madam, Prof. Chaudhary Madam, Prof. Patthe Madam, Mrs. Sarkate, Ms. Rindhe, Mr. Vishal Shinde, Mr. Gajanan Sirsat, Mr. Pradeep Devkar, Mr. Shingane, Mr. Nemade, Mr. Jamdade, Mr. Purane, Mr. Ladke, Mr. Gavai, Mr. Thote, Yogesh Kakade, Bhushan Chitwal, Mr. Mule,

as well as all the teachers, non-teaching staff and college students were present for this program.

### **Evidence of Success: -**

1. College has organized career guidance program for students by expert person in order to fill up the gap of their knowledge level to shape their career.
2. Due to the career guidance regarding to GATE exam ,Students can plan and easily coordinate the activities in preparation of gate.
- 3)Due to the knowledge regarding to scoring system in GATE ,it plays very crucial role in the preparation of GATE.

### **Problem Encountered:**

As this activity is helpful for the students to shape their career so there was not so difficulty occur in the conduction of above activity

### **Photograph Of Event:**

## **AIDS awareness Rally:**

### **Objective**

World AIDS Day is celebrated every year on December 1st to raise awareness about HIV Infection. The epidemic disease caused by the infection of human immunodeficiency virus (HIV) is known as AIDS. This day was celebrated for the first time in 1988. In 1996, the United Nations took up the task of promoting and spreading HIV/AIDS globally, and in 1997, the Global AIDS campaign on Infection, Prevention and Education was launched to raise awareness about the deadly disease AIDS worldwide and to reduce the number of deaths caused by the disease. The United Nations has declared this day as a day of mourning. Government and health officials, non-governmental organizations and individuals around the world celebrate this day with education on AIDS prevention and control.

### **CONTEXT:**

The main purpose of celebrating 'World AIDS Day' is to sensitize people of all age groups about the infection spread by HIV AIDS. AIDS day create awareness among the peoples about the spreading of disease, Severity of Disease Symptoms and control measure should be taken.

### **Practice:**

Rajarshi Shahu College of Engineering, Buldhana under National Service Scheme department. World AIDS Day was celebrated in the college on 1<sup>st</sup> December 2023. President of this program was Prof. P. A. Rane while the chief guide was prof. M.M.Khan. Introductory program done by Prof. P.S.Katkar. Chief guide Prof.M.M. Khan on the occasion gave information about World AIDS day and why this day is celebrated at the global level and the main purpose of celebrating 'World AIDS Day' is to sensitize people of all age groups about the infection spread by HIV AIDS.

Students were informed that AIDS is the biggest health problem in the world today and there is no vaccine available. President Prof. P.A.Rane gave in depth information about AIDS and challenged that this message should be conveyed to every section of the society. Also a rally was organized on the occasion of World AIDS Awareness Day in which the students participated spontaneously. About 90 students was participated in this program.

Prof. N S Payaghan, Prof. P A Rane , Prof. M M Khan, Prof. A D Pimple, Prof. N G Deshmukh, Prof. K S Sarode, Prof. P T Patthe , Mr. Nemade, Mr. Purane, Mr. Kakde and all teachers and non-teaching staff were present for this program.

### **Evidence of Success: -**

1. College has organized AIDS Day rally this year to create awareness among the people in urban and rural area.

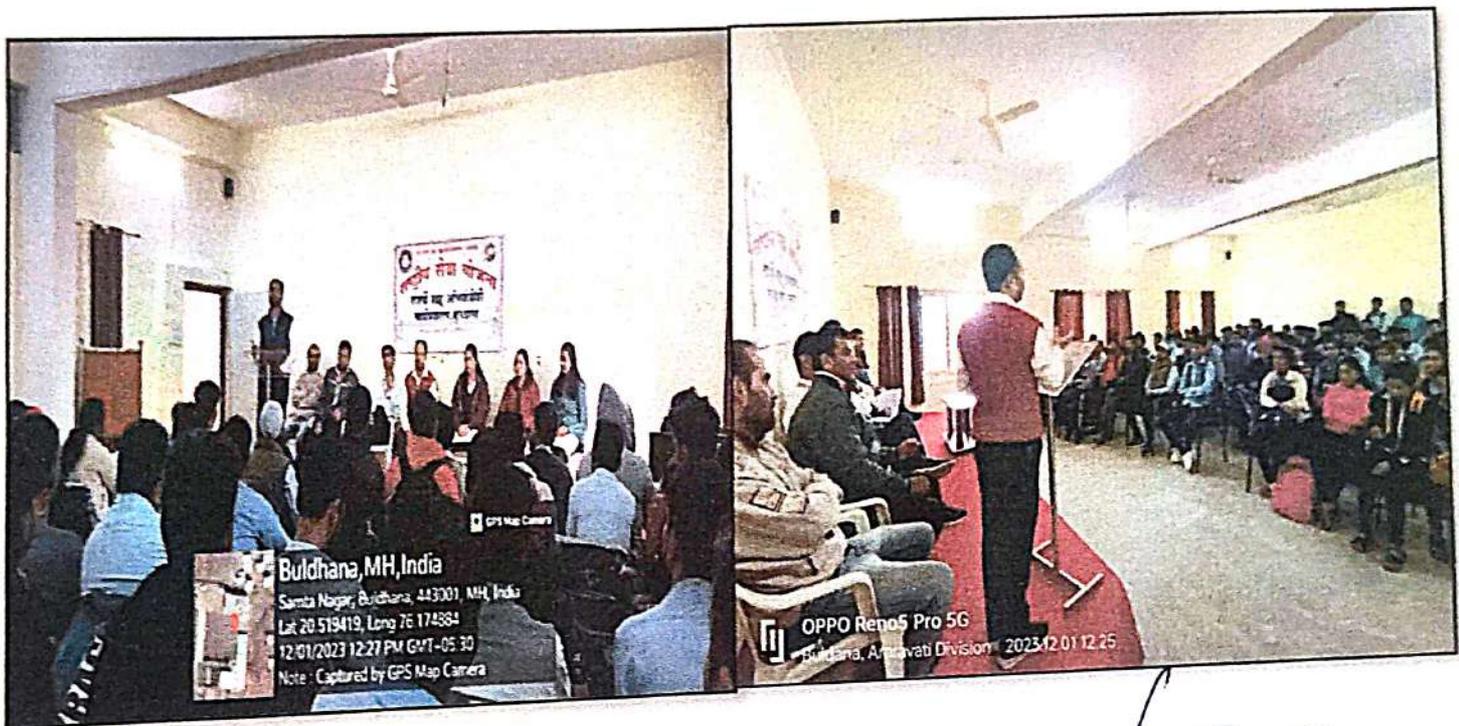

2Aids day rally focuses on maintaining proper hygiene, cleanliness.

3)Aids Day rally light on control measure should be taken to prevent spread of AIDS.

**Problem Encountered:**

There is main challenge to increase the participation of people in medical awareness particularly in rural area.
